

YouTube Shopping

Creator Starter Pack

If you're reading this then you're up to something big - and we can't wait to be a part of it!

Getting your channel set up for Shopping is a big step, and a fun one. To help you every step of the way, we've put together a starter pack, filled with resources you might need including set up tips, best practices, and fun elements to add to your content. So whether this is your first time opening up shop or you already know the ropes, we hope we can help make your YouTube Shopping experience just as enjoyable as the content you create.

Getting Started

1 Check if your channel is eligible for Shopping. **Check Eligibility**

2 If you're eligible, hooray! It's time to start tagging products on your

new and existing videos. Start Tagging **Connect Your Store**

Make It Easy For Your Fans To Shop Below are a few tips to help you get started.
